Notice is hereby given that the tree (vv. 29, 30), which is the nation ndersigned, who was sentenced to Israel, has long been shooting forth term of two to three years on a new branches and bearing green charge of manufacturing liquor in the Circuit Court of Coffee County Christ is coming soon. Are you on April 20, 1938, will make appli- ready to meet Him? ation to the Board of Pardons III. Drunkards and Other Sinners

of Health Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—ki/s itself—is constantly producing waste matter the kidneys must remove from the blood if good heath is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out. orn out.

Frequent, scanty or burning passages re sometimes further evidence of kidesy or bladder disturbance.

The recognized and proper treatment as disturbed medicine to help the kidneys of rid of excess poisonous body waste. Jae Doon's Pills. They have had more han forty years of public approval. Are indorsed the country over. Insist on Doon's. Sold at all drug stores.

and justified in the name of the Lord Jesus (v. 11). In Christ there is hope for the drunkard. A spiritual revival is the real answer to the liquor problem. Let us seek to promote it even as we at the same time give ourselves to an intelligent and constructive battle against this
